

Special Events & Activities

Personalized products make excellent remembrances and gifts for commemorating special events such as baptisms, bar mitzvahs, weddings, and first communions.

Recognition

What better way to show congregation appreciation to a Sunday school teacher, retiring Deacon, or other special person than with plaques and products featuring the place of worship in full color.

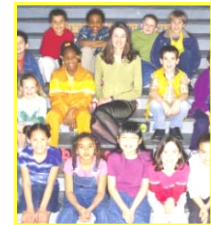

Member & Identity Products

Personalized products can build a sense of community and identity and welcome new members to the congregation.

Youth Groups

The future lies with our youngest congregation members. Personalized, full color products make perfect motivational tools and mementos bringing pride and belonging.

Church recognition

Laser engraved Wood Crosses

Mugs

Bookmarks

Church identity
